The Complexion of the Next

The Returns are Not all in But Enough is Known to Show Great Democratic Losses,

CALIFORNIA

San Francisco, November 7 .- It is expected that the canvass of the vote of the city of San Francisco will be completed by to-morrow afternoon. The Republican State Committee estimate that the Democratic plurality in the city will be about 5,000, but contend city will be about 5,000, but contend that outside counties will furnish a Re-publican plurality of 14,000, and that the Republican electoral ticket will be elected by 9,000 plurality. The Prohi-bition vote, as far as canvassed, falls below that of 1884. De Young, chair-man of the sub-committee of the Na-tional Executive Committee telegraphed to Chairman Quay to-night that all Pa-cific Coast States had gone for Harri-son, and California particularly by a son, and California particularly by a rising vote of 8,000. The estimate of the Democratic State Committee does not vary from the one made earlier to-day of a probable Democratic plurality of 2,000 to 3,00) in the State. San Francisco, November 8 —Forty-

San Francisco, November 8 —Fortyone thousand seven hundred and seventy-three votes out of a total of 55,370, have been canvassed. Complete returns have been received from 775 precincts out of a total of 1,590 outside the city of San Francisco. The total vote counted in the State, including both San Francisco and interior points, give Harrison 93,112. Cleveland 85,041, Fisk 3,847, Curtis 755. Sufficient returns have been returned from the Third and Sixth Congressional Districts to show that McKenna and Vandever, Republicans, have been elected by safe majorities. The four remaining districts show a much closer contest. There is but slight difference in the vote of Republican and Democratic candidates and it is probable that the candidates and it is probable that the result in these districts will not be known until the total vote is counted.

The Alia, Democratic, this morning

has a summary of the vote on the legislative ticket, which, including the Senators who hold over from last session, will make the next Legislature as follows: Senate—Democrats, 22; Republicans, 17. Assembly—Democrats, 39; Republicans, 41, thus giving the Democrats a majority of three on cint

Republicans claim the State by 13 875 majority, which, if correct, is a Republican g in over Blaine's majority in 1884 of 5,006. Republicans also claim every member in the Lower House and 20 out of 26 members in the Senate.

Almost complete returns from this city and Arapahoe County show the following vote: Cleveland, 4 504: Harrison, 4.257. Congressmen—Mason, Democrat, 4.574; Townsend, Republi-can, 5.827. Governor—Patterson, Dem-ocrat, 4.720; Cooper, Republican, 6.675. The entire Legis'stive ticket is elected by majorities ranging from 1,000 to 2,700. State returns show that with the exception of three members, the Legislature is entirely Republican. The ticket elected it by a majority of from 8,000 to 10 000.

Harrisons plurality is placed in the neighborhood of 25,000. The Times claims unofficial return; from ninety-two counties give Fifer a plurality of 5,274; Harrison's, 19 920.

INDIANA.

INDIANAPOLIS, November 8. - Nine hundred and thirty-five precincts in Indiana give Harrison 147,907; Cleveland, 141,804. The same precincts in 1884 gave Blaine 134,698; Cleveland, 134,700

is scarcely probable official returns will be received before Friday night, when the vote of the State by counties will be given. Returns from Congressional districts are also incomplete, but up to 1 o'clock nothing had occurred that changed the result given in earlier dispatches. Latest returns on Presi-

Senators who hold over from last sees sion, will make the next Legislature as follows: Senate—Democrats, 22; Republicans, 17. Assembly—Democrats, 39; Republicans, 41, thus giving the Democrats a majority of three on joint ballot. There is a vacancy in one Senatorial district, caused by the death of a Republican Senator a week ago.

Late this afternoon the count was completed in 140 precincts in this city, out of total 176, and the result is as follows: Cleveland, 26,936; Harrison, 26,116.

Ohicago, November 8.—Western Union bulletins on California complete returns from 1,123 out of 1,590 precincts outside of San Francisco give Harrison 87,596; Cleveland, 76,922; Fisk, 4,099; Contis, 758. Supreme Court—Beattie, 75,000; Works, 75,258; Searls 20,270. Comparatively few counties have made returns on the Prohibition vote, but St.

Republicans have a majority in the legislature of thirty-five on joint ballot.

Harrison's plurality in Michigan will reach 22,000, against 3 308 for Blaine in 1884. This surprisingly large gain is undoubtedly due to the return of the Greenbackers to old party lines. Four years ago the fusion vote of the State was 189 361 staaight, the Democratic vote being 149,835 and the Greenback vote 41,490. The combined Greenback vote 41,490. The combined Greenback and Union Labor vote of Tuesday will not exceed 8 000. Comparatively few counties have made returns of the Pro-hibition vote, but St. John's vote of 13,463 has been reduced nearly one half. Luce, Republican, for Governor, will have a plurality of about 13 500. He was bitterly opposed by the liquor men, and ran behind in all large cities. In this (Wayne) county, Cleveland's plurality is 4,404, while that of Burt, Democrat, for Governor is 9,643. In the county, however, Luce more than the country, however. Luce more than held his own. The Republicans carried eight Congressional Districts, the Dem-ocrats two and one is still in doubt. The Republicans gain two. The Re-publicans will have a majority in the legi lature of thirty five on joint ballot.

Late to-night the Republican's claim that Wheeler was elected in the Tenth District is verified by official count. The Michigan delegation will stand Republicans 9 and Democrats 2, a Republican gain of 3.

San Francisco, November 8 .- Re turns from the State of Nevada so far as counted give Harrison 4 443; Cleve-land, 3,132. For Congress the returns as far as counted give Bartine, Repub-lican, 4,105, and Cassidy, Democrat, 3,143.

WHEELING, W. Va., November 8.—
The latest returns show increasing Republican gains. It looks as if the Republicans had carried the State.
